Winterfest BG Chillabration is back for 2020 even bigger and better than last year. The Saturday evening of live bands in a heated tent, incredible ice bar and amazing ice garden met with rave reviews. There will be live music from 4 - 11 pm, it will also host the Winter Market from 10 am - 2 pm. All this happens in the Huntington parking lot on the corner of Clough and S. Main Street.

This is also the location for our beautiful ice garden and live ice carving demonstrations. This year's sculptures will show a variety of our town's finest establishments and their designs from 10 am - 11 pm. Every sculpture will have a sign underneath it identifying the company and its logo. These amazing works of ice art are sure to be a hit with every age group.

This event offers something for everyone. Families can come out for the day and enjoy the festivities and at night people can enjoy the hours of entertainment, craft beer and wine served from behind the incredible ice bar.

The Downtown Foundation will be overseeing the ice sculpture sales as a fundraiser. We are asking you to consider partnering with us to help make this year's event spectacular with your donation of a custom ice sculpture displayed for the thousands of people expected to attend. They will also be seen via our website, social media and WTOL coverage. The funds raised will help us continue to complete beautification projects in our historic downtown.

Order Form - Ice Sculpture

Please note that full payment is due with the order form. Ice Bar and Live Demonstrations are very limited and orders for these will be on a first come, first serve basis.

You will need to email a PDF or a JPEG image of what you would like carved. **We recommend choosing a character or design that is more curved rather than a flat logo design to keep the integrity of the sculpture.** Ice Creations can carve almost any image. We must provide your ideas and designs for your ice carving to Ice Creations by November 12th. IC will contact you if there is a question or challenge with any request.
